

**Western New York American Industrial Hygiene Association & Genesee Valley Safety
Conference Professional Development Course**

***Overview of OSHA's Hexavalent Chromium Standard:
Industrial Uses and Implications for Respiratory Protection***

Tuesday, November 7, 2006

**Hexavalent Chromium and Metal Particles Technical Seminar – ½ Day
Professional Development Course (0.5 ABIH CM), (0.4 BCSP COC)**

Speakers:

Carl Thornton, a graduate of Ashland University, is an account executive for 3M's Industrial Markets Occupational Health & Safety Products Division. He has over 25 years of related experience and now specializes in application of respiratory and environmental products. Prior to working for 3M, Carl managed industrial hygiene, safety, workers compensation and general training in the foundry industry. He is the past chairman of the "Foundry Section" of the "All Ohio Safety Congress". He is also twice president of the Richland County Safety Council and twice President of the North East Ohio AIHA section.

Heidi Reisman CIH, a graduate of the U.S. Air Force Academy, is a Compliance & Training Consultant for Dival Safety. She has been working in the fields of industrial hygiene, environmental management, occupational safety and health since 1988. Heidi has a B.S. in Civil Engineering and is a Certified Industrial Hygienist. Additionally, she is certified to teach various EPA/NYS asbestos courses and OSHA 10 and 30 hour courses for industry and construction. Related experiences include environmental monitoring, safety education and environmental health engineering. Heidi is a member of the United States Air Force Reserve.

AGENDA

- 8:00 – 8:30 *Networking and Continental Breakfast*
- 8:30 – 10:00 Exposure Overview of Metal Particulates Relative to:
- Welding Safety
- Electroplating Safety
- Heavy Duty Paints & Coating Safety
- 10:00 – 10:15 Break
- 10:15 – noon New OSHA Hexavalent Chromium Standard
- Health Effects
- Exposure Monitoring Requirements and Sampling Strategies

The course will be held at Eastman Kodak Company, Kodak Park, Building 328, Multipurpose Conference Room

Directions and map are on page 2

For questions about this course, contact Erica Logan at (585) 722-2924 or Carl Thornton at (800) 952-6671 or (419) 610-9133.

There is no registration fee for this conference.

Send completed registration electronically to Cathy Mahar (cathy.mahar@kodak.com), Eastman Kodak Company.

Registrations must be received by October 10, 2006

Attendance will be limited.

REGISTRATION INFORMATION:

Please include the following information.

Name: _____

Title: _____

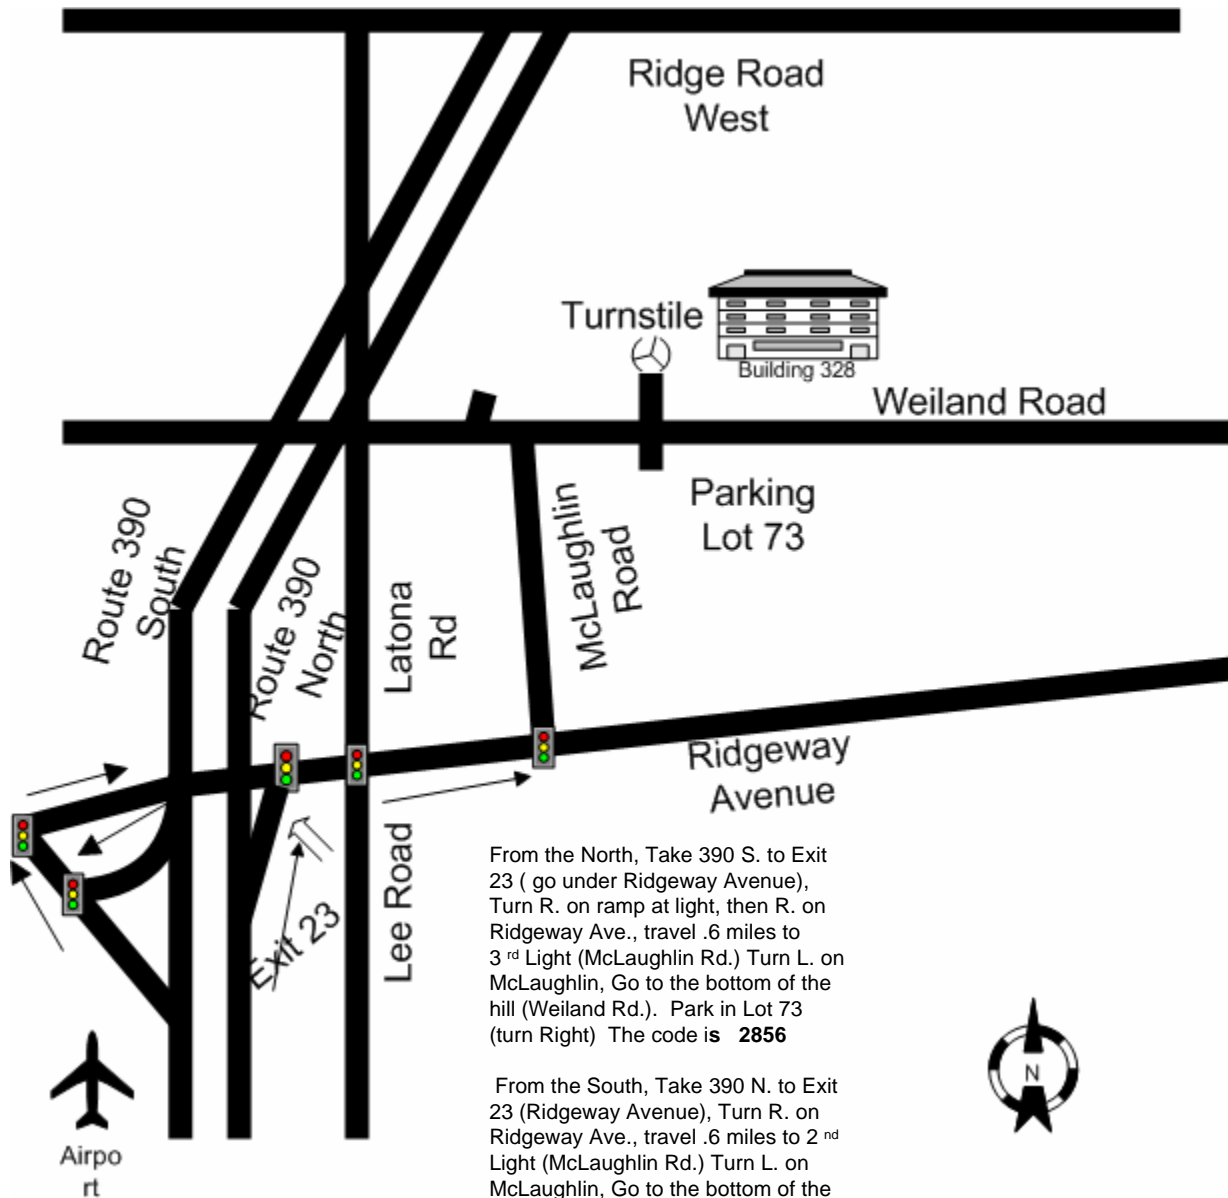

Company/Affiliation: _____

Address: _____

City: _____ State: _____ Zip: _____

Telephone: _____ Fax: _____

E-mail: _____

From the North, Take 390 S. to Exit 23 (go under Ridgeway Avenue), Turn R. on ramp at light, then R. on Ridgeway Ave., travel .6 miles to 3rd Light (McLaughlin Rd.) Turn L. on McLaughlin, Go to the bottom of the hill (Weiland Rd.). Park in Lot 73 (turn Right) The code is **2856**

From the South, Take 390 N. to Exit 23 (Ridgeway Avenue), Turn R. on Ridgeway Ave., travel .6 miles to 2nd Light (McLaughlin Rd.) Turn L. on McLaughlin, Go to the bottom of the hill (Weiland Rd.). Park in Lot 73 (turn Right) The code is **2856**

B-328 is located past the turnstile. Someone will greet you at the turnstile.
