Chapter Update

The August 3rd Meeting was a great success. I would like to thank Kevin Docherty from Buckeye Partners, LP and Blake Morris Director of the LVAIHA Chapter and also from Hillmann Environmental Group for their excellent presentations on Pipeline Safety, Security and Terrorism and the Department of Homeland Security New Chemical Safety Regulations. The two presentations tied in well with one another and stimulated the audience with insight to chemical security.

Our upcoming meeting in September will feature two topics, namely Methamphetamine Laboratories and a Pandemic Influenza. In addition, we will have an ABIH update from a representative from their board. We hope to see a good turnout for a great meeting!!!!

We have locked in our Holiday Social date at the Bethlehem Brew Works for December 6, 2007. The social is a great time filled with food and good conversation with peers in the profession. Drinks will be sponsored by Hillmann Environmental Group. So be sure to put it on your calendars, you won't want to miss it!!!

Your continued support in our local section is greatly appreciated. Hope to see you soon!

Jennifer Brown President

American Industrial Hygiene Association

Lehigh Valley Section

TBA = To Be Announced

Professional Conference on Industrial Hygiene 2007 Louisville, Kentucky October 20-23

The Professional Conference on Industrial Hygiene 2007 “Your track to worldwide solutions” is being hosted by the city of Louisville, Kentucky and the slogan says it all. This year’s PCIH promises to bring together professionals from various specialties to network and learn the various disciplines in our field. The conference will consist of several different forums to accomplish this in the forms of professional development courses, workshops and small group discussions with the chance to earn 6 Continuing Maintenance (CM) points. In addition, the conference will offer a chance to meet with vendors through the exposition. The city of Louisville has to offer unique sites such as the Louisville Slugger, the Kentucky Derby and the International History Museum only found in this historical Southern city. Along with the great sites are great entertainment and many restaurants to fit any appetite. The AIHA is offering discounting registration online until September 21st. If you are planning on attending and would like a night out with fellow Lehigh Valley AIHA members, please email Jennifer Brown at jbrown@hillmanngroup.com. Details for registration to the conference and to the City of Louisville can be found at these websites:
