Industrial Hygienist / Indoor Air Quality Specialist

ENERCON Services, Inc., founded in 1983, is a multidisciplinary environmental consulting and engineering firm with 14 offices nationwide and growing! We are an employee owned company with a broad range of capabilities and client base. We offer an excellent opportunity to gain experience in a wide variety of project types and an outstanding opportunity for career growth. ENERCON offers a competitive salary and benefit program including 401K, profit sharing, and an ESOP program. ENERCON is an Equal Opportunity Employer.

Enercon's Oklahoma City, Oklahoma office is seeking an Industrial Hygienists / Indoor Air Quality Specialist to serve client environmental health and safety needs. The successful candidate should be able to anticipate, recognize, evaluate and control environmental factors or hazards arising from the workplace and elsewhere.

Duties:

- Air & Noise Monitoring, Mold Surveys, and possibly Asbestos Inspections.
- Perform field work and sampling. Requires 10 - 25% travel usually 1-2 day trips.
- Achieve client objectives by obtaining information, evaluating concerns and needs, and presenting recommendations in writing.
- Review of data reports and write all or portions of project technical and summary reports.

Skills/Qualifications:

- Bachelor's degree in Industrial Hygiene, Environmental Science, Safety, or related field.
- 1-5 years of environmental health and safety experience. Previous consulting experience preferred.
- Preference for a Master's Degree in Industrial Hygiene or related field.
- Candidates with work experience in one or more of the following areas will receive additional consideration: Site Assessments, Mold Surveys and Testing, Asbestos Inspection Certification, Noise Monitoring, Personnel Monitoring, Indoor Air Quality, Remediation or Project Management.
- Strong technical writing skills and attention to detail.
- Problem solving and general scientific evaluation skills.
- Good verbal communication skills with ability to maintain client relationships.
- Computer skills including experience with MS Office Word/Excel.
- 40-Hour OSHA HAZWOPER training.
- Safe driving record.

To Apply:

E-mail Resume to *gbrown* rdavis@enercon.com. Please include position title and position number E07-013 in the subject line. MSWord format preferred.
