## Notes from the President

I would like to thank Daryl Kauffman for serving as Treasurer of the Chesapeake Section for the last four years. He helped us to consolidate our accounts and to manage our meeting and PDC finances. Geoff Braybrooke is now serving as both Treasurer and finishing up as this year's Membership Director. We are looking for a President Elect and Membership Director for 2007. Benefits include the occasional dinner at planning meetings and greatly reduced cost for attending our 2-day professional development conference. Also, please contact any of the current Officers or Directors if you are interested in helping us to update our web site.

Have a happy, healthy summer,

Mark Isenstein  
President  
Chesapeake Section, AIHA
