

SPRING PROFESSIONAL DEVELOPMENT COURSE

Unusual Case Studies in Industrial Hygiene

Wednesday, April 29, 2009

8:00 am – 12:30 pm

Indianapolis, Indiana

Presenters:

Ron Clark, CIH

Marion County Health Department

Michael L. Siegel, CIH

Mike is currently an industrial hygiene, occupational safety and emergency response consultant. He has more than 20 years experience in industrial safety and health program development and field investigation as well as over 15 years experience as a Firefighter. He recently retired as the Fire Chief of a Jefferson County Department. Since 1992 Mike has been involved as a hazardous material responder with several Regional Homeland Security Response Teams. He has served for 15 years as the Chief of the Jefferson County Hazmat Team and has remained a part of the team as a Specialist. He has assisted in coordination and training of its members and has conducted training for other regional responders in the metropolitan St. Louis area.
