

AIHA Indiana Local Section

IH Roundtable

**Speaker Topics:
TBD**

**Friday, July 23, 2010
8:00am – TBD**

IH Roundtable Summary:

The IH roundtable is structured so that each attendee presents generally between a half-hour to an hour on an IH related topic; therefore, all attendees are presenters. The presentation length of each speaker varied to accommodate each person's topic, and we can flex the schedule again this year. The advantages of this presenting style are that it is local, free, and, as a speaker you present to a smaller group of peers. A written evaluation will be included to 1) improve the person as a speaker/presenter, and 2) provide a ranking score for possible presenters for the next **Indiana Safety & Health Conference and Expo (Feb 28 to March 2, 2011)**. Last year, there were 9 speakers for a half-day (8 am to 12:30pm) and each individual received **0.75 CM points**.

Spots will be filling up soon, so let us know ASAP if you have this date available and are interested in presenting on an IH topic!

Location:

Indianapolis Power & Light Company
Morris Street Service Center
