

AIHA – Indiana Section Board of Directors September 14, 2006 Meeting Minutes

Members Present: J. Beltz, C. Malahek, A. Szentes, Bruce Guilliani, and J. Larmore

Location: Squealers at 5515 86th Street, Indianapolis, IN

Minutes from last meeting: Meeting minutes will be copied to all members of the board.

Value of Local Section Membership: Discussion tied into next topic

Increase Membership/Attendance/Participation: John suggested that we collaborate with Purdue students to visit other Indiana colleges/universities that have IH, safety, or affiliated programs in order to determine interest in AIHA Indiana and to develop an ongoing relationship with them.

Website: We discussed the home page, and suggestions on what to have on the home page. We are also in need of a volunteer to finish the development of the website.

Meetings for Section members/guests:

Dates for Fall:

- ❖ October 12th Dinner – Hexchrome – Location tbd by Dorothy. Amy to confirm speaker, Leo Blade of NIOSH

- ❖ November 13th Full Day Conference - Date finalized; Location and vendors to be coordinated by Dorothy
 - RF/EMF Exposure Effects – Myths & Realities – NIOSH Speakers, Joe Bowman & Greg Lotz confirmed for afternoon session.
 - Post Disaster Planning / Business Continuity planned for morning session (John to schedule EPA speaker for regulatory perspective and hospital presenter for public perspective.)
 - Jeff will schedule participants via the P.O. Box.
 - Dorothy and/or Stacey to perform participant registration function.
 - Price is set at \$125.00 for the day and includes lunch. Half-day price has not been finalized. It will not include lunch. Student price tbd as well.
 - It was decided that the presentation should be put on CDs and distributed along with paper notes to participants. Dorothy / Stacey to produce notes and disks.

- ❖ December 12th Lunch – Global Harmonization – Rick’s Boatyard Café suggested. (Dorothy to finalize Rick’s Boatyard Café.)

Next Board meeting: October 12th, 5 pm prior to Hexchrome Presentation.
