PURDUE STUDENT NIGHT

mid-September. First meeting is TBD in Zionsville (The Friendly?). Second meeting in W Laf. in December. 2 \$200 scholarships. Beau to build criteria based on attendance, IH Project and a public talk on to our December dinner meeting in W. Laf. Tina to check Chicago local section for advice and ideas. Anything Else? Combine with Dec fun event? Also discuss the June 2010 golf outing.

H1N1 SEMINAR

October 6th is all set. **Thanks Andrea!** Slogan 'Come to the meeting and get your shot.'

OTHER BUSINESS

When is **Labs21**? We need to avoid these dates for our September activities.

Consider a repeat IH roundtable presentation in November and January. Open up to more CIH's. Tina will be getting certificates out to the participants.

Clarify **November PDC** with \$ exchange not allowed at IGC. How are we going to settle-up with people who want to renew their dues at the PDC?
