## Awards and Honors Committee, Other Awards Committees – Composition, Duties

Nominations for *Baier, Hamilton, Kusnetz, Cummings, Distinguished Service Awards, and Fellows* are reviewed by the AIHA Awards and Honors Committee. This committee is comprised of the AIHA Past President (serves as chair), past Past President (co-chair), and four (4) at-large seats to be filled by an open-call process. The AIHA Board shall then be tasked with reviewing the candidates and selecting committee members. All individuals shall serve a one (1)-year term and carry voting rights. AIHA's CEO shall serve in an ex-officio capacity and not be entitled to a vote.

Nominations for *Social Responsibility, Yant, and Smyth Awards* are reviewed by special committees.

Refer to Figure 1 below for a summation of who serves on each committee.

All awards and nominations committees are tasked with selecting the most qualified recipient for each award and presenting the slate of awardees to the AIHA Board for approval. From each committee, the chair will notify awardees. If necessary, the chair will be assisted by other committee members in notifying nominators of nominees not selected.

### Committees:

- Will not research unsupported claims or enhance the nomination package in any way.
- Reserves the right to consider any nomination for awards other than the award suggested when, in its opinion, the support and justification may more appropriately apply to other awards.
- Shall have the prerogative of carrying forward nominations to a more suitable time frame.
- Reserves the right to not present an award when suitable selection(s) cannot be made.

Committee members:

- Are not eligible for a named award during their term of committee service. When agreeing to serve on a committee, you should understand that if you were to be nominated, the nomination would be disqualified. Persons preparing nominations should be advised that committee members are not eligible.
- Should not be directly involved in nominations prior to their submittal. You can answer general questions about what a nomination should include, but you should not pre-review or comment on draft nominations.
- Will attend the town hall prior to the nomination review if available (every effort will be made to find consensus on a suitable date).
- Will self-identify any relationships/affiliations that might be perceived as a source of potential bias and inform the committee chair of any Conflicts of Interest (COIs) before any candidates have been discussed.
- If COIs are identified, the normal practice is for conflicted committee members to recuse themselves from discussions related to the corresponding nominations.
- Will maintain strict confidentiality with nomination materials as well as internal/group discussions. Information about committee deliberations should not be shared with anyone outside the committee, nor should the winner be discussed until AIHA has issued the formal press release.
