Procedure for Local Section Bylaws Revisions

Following is a set of model bylaws for use by AIHA local sections. New sections may use these as a guide to setting up their own bylaws. Please note that these model bylaws are meant to be used as a guideline and do not necessarily reflect all of the various ways in which a local section can operate. Sections of these bylaws highlighted in yellow are sections that must be included in a section’s bylaws as applicable. While it is required that each local section’s bylaws address, in some manner, the other sections of these model bylaws, it is not required that the language herein be used verbatim.

After the local section board reviews the bylaws and outlines any changes, a copy shall be sent to the Program Manager/Local Section Relations at AIHA before the bylaws are voted on by the local section membership. Amended bylaws must be approved by the AIHA Secretary on behalf of the AIHA Board of Directors. The AIHA Secretary and Program Manager will review the bylaws and may suggest changes. If these changes are acceptable to the local section Board of Directors, the section can send all changes to the membership for a vote at one time. The bylaws shall then be sent to national AIHA to be kept on file.
