RE: Chemical Safety Board Confirmation - Kristen Kulinowski

Dear Chairman Inhofe:

The American Industrial Hygiene Association (AIHA) would like to take this opportunity to offer our support for the confirmation of Kristen Kulinowski on the U.S. Chemical Safety and Hazard Investigation Board.

Ms. Kulinowski has considerable expertise in the chemistry field and is dedicated to the safe use of chemicals. In addition, Ms. Kulinowski has been involved in the safety and health aspects of the evolving field of nanotechnology for many years, serving as a member of the AIHA Nanotechnology Working Group since 2009. AIHA believes it is imperative that someone be appointed with the expertise and knowledge to really make a difference, someone such as Kristen Kulinowski.

AIHA is one of the largest international associations serving the needs of occupational and environmental health and safety professionals practicing industrial hygiene in industry, government, labor, academic institutions and independent organizations. The AIHA mission is to promote healthy and safe environments by advancing the science, principles, practice and value of industrial and occupational hygiene. AIHA is not only committed to protecting and improving worker health, but the health and well-being of all people in our communities.

In closing, AIHA urges you to confirm the nomination of Ms. Kristen Kulinowski to serve on the U.S. Chemical Safety and Hazard Investigation Board.

Thank you for your consideration.

Sincerely,

Daniel H. Anna, PhD, CIH, CSP
AIHA President
