What is the Consultants Listing?
Published once a year, the Consultants Listing is a comprehensive print and online directory of occupational and environmental health and safety experts worldwide.

With all the advertising choices out there, why advertise with AIHA?
AIHA knows who your customers are, and how to reach them.
For 35 years, the Consultants Listing has helped increase business opportunities for AIHA's consultant members. This listing is available to anyone to use FREE of charge. Government agencies such as EPA, FEMA and OSHA regularly refer consumer inquires to our consultants for assistance. AIHA's Consultants Listing is also frequently referenced as a source by the media for consumers when searching for an IH or OEHS consultant.
Every advertising dollar must count, and the AIHA Consultants Listing is an easy, cost-effective way to reach your target market and grow your business.

What geographic areas do your directories cover?
We have listings across the states in the US, and internationally throughout Canada Europe, Asia and the Latin Americas.

How do web users find you?
Links from other OEHS websites and search engine prominence.

Who are your printed directory and web users?
Distribution of the Consultants Listing continues to grow every year, and 2014 is no exception! Our circulation has increased to over 30,000, including not only, AIHA membership, but thousands of outside organizations and individuals. Some examples include:
- government agencies
- law firms
- trade show attendees
- trade associations
- schools and universities
- media
- commercial property managers
- real estate agencies
- local consumers
- hospitals
- construction companies
- public health organizations
- insurance agencies
- And many more...
